- 4) Representations from members of the public. None present
- 5) Planning Application(s):
  - a. 59160/003 Havelet, Old Odiham Road, Shalden, Alton, GU34 4BW  
*Proposal: Lawful Development Certificate for a Proposed development - Two single storey side extensions*

Application considered and response agreed "Shalden Parish Council no comment on this application under permitted development provided clarification can be provided that the eaves height on the extensions to the side of the property that are within 2m of the boundary, are no more than 3m high at the front and rear. The plan details the eaves height only at the front of the property which is misleading, despite there being a significant drop in ground level towards the rear which will result in the eaves height being higher than that at the front."
- 6) Date of next meeting: Wednesday 28<sup>th</sup> September 2021, 8pm
