

Good afternoon Mr and Mrs B

Thank you for your kind offer of an Oak tree. I will take this to our Environment Committee meeting on 1st December to discuss. I will be in contact thereafter.

In relation to litter bins, we have a programme of replacement agreed that will include recycling segments; as you know, starting with the Abbey Green.

Kind regards

Carol

Subject: Oak tree to donate to local area ?

Hello there Carol and Jane

We have a small Oak tree growing in our back garden which I am trying to find a long term home for - as they grow so larger but are beautiful

A few years back the Cemetery were able to take two that my son grew from an acorn with his Gran they are Beautiful

I spoke to your gardening team at the Rec recently when I saw them all who used to work at the Cemetery - and they felt there was no more room there for such a huge tree ???

We discussed possibly therefore a place at the Rec. whilst re-vamping is all is going on up there ?

I was asked to contact you to ask your opinion please as I so want it to go to a good home locally if poss. where it can flourish forever as I have lived here and my family before me for years!

Any ideas please?

Meanwhile please could litter bins be added to the new laid out Rec when I walk around I pick up so much rubbish that people throw about but cannot find many bins there Also as discussed before can we have more recycle bins all around Battle - we so need them I know there are the large ones at the market sq. but not many people will carry their can to them a long way to go - depends where you are Please kindly look into this we so need to recycle more Thanks for saying there will be some placed around the Abbey Green Great !

Thank you so much and look forward to hearing from you re the tree Thank you

Would like to move the tree over the winter to allow it to establish well

Thank you so much

Kind Regards

B
