09/19/06 Parish Informer – to consider letter with regard to funding

As published in the July edition of the Informer, there is currently a shortfall of funding for the magazine and ideas are being sought as to how this may be addressed. A number of suggestions were made and the clerk will pass this to the editor for consideration.

More information required – charges for adverts, alternative printer quotes – suggestions: Smaller size (A5), subscription, bi-monthly, include the rates for advertising, reduce quality of the paper – the layout could/should be improved, all in black and white, increase in advertising rates

Clerk
