- Bakers Corner review. Wiltshire came to Alton and carried out a review of the Bakers Corner work completed last year in the area. The work carried out is considered good and viable but there does need to be further work carried out to the bank to re-establish it and to protect the large oak tree that is being affected by the condition of the area. It was also accepted that there are issues with the drain just past the bridge, which appears to go nowhere. Wiltshire Council will be undertaking some investigations of where that drain leads to as it fills with water and debris. The Parish Council has been asked to identify who owns the ditch in the area as it requires clearing. MS to send W3W's (What3words) to EM to identify ownership. MS to write to Wiltshire regarding ownership.
