

General

To receive and consider a proposal regarding Relief in Need Charity:

At a Full Council meeting held on the 10th and 17th March, the following decision was made under Item 6.5:

It was agreed to keep the 'status quo' and stay with the Council's previous decision of handing over on the 31st March 2021 with the Town Clerk resigning as Charity Correspondent at that point, but assisting in the smooth transition.

Proposal: That Swaffham Town Council delegate a committee to execute this transition and take authority on behalf of STC for the following, but not limited to, priority actions:

- Preparing an updated Investment Policy
- Selecting and appointing Investment Advisors
- Preparing and registering with the Charity Commissioners a modernised Scheme, which will include the fact that STC is no longer a Trustee.

The committee members proposed are:

Cllr Paul Darby, (Chair of Relief in Need); Cllr Jill Skinner (Vice Chair of Relief in Need); Cllr Judy Anscombe (Town Mayor & Ex Officio Relief in Need)
