Defibrillator Awareness Session

Dear Resident

Following on from the successful and well received defibrillator awareness session held in September, we are pleased to announce that another session has been arranged. It is taking place on Friday 12th November at Salesbury Memorial Hall starting at 7:00pm. As before, the aim of this informal 2-hour session is to help you understand how a defibrillator works and how it can save lives. Councillor Chris Goodwin, who is a qualified First Aid and Defibrillator trainer, will be running the session.

If you would like to attend, please secure your place by emailing Mike Wood at: cllrmwood@gmail.com with your contact details.

Complimentary tea and coffee will be provided.

We look forward to seeing you.

Kind Regards

Salesbury Parish Council
