COUNCIL NEWS

The Council welcomed Amanda Jobling, the new Parish Council Clerk, to her first Council meeting last month and the transition between her taking over the post from Brendan Gibbs has gone extremely smoothly. Amanda has started to review some of the Council's procedures to see if improvements and efficiencies can be made.

Reassuring news for Hamble and Hound is that the High Court has refused a Judicial Review of the Secretary of State's decision to refuse Hallam Land Management's application for a development next to Hamble Station. The judge also awarded costs to the authorities for preparing for this Judicial Review.

Provisional plans for a Dementia Care Home at Mursell Way, adjacent to the Blackthorn Health Centre, have been presented to the Parish Council by a Director of the company making the proposal. The company said it only built for charities and not for profits organisations and had held consultations with people in the local area, including the Health Centre. It anticipated putting in a formal planning application within the next month. The main consideration is its location within the local gap.

Another representation to the Council has been made by Richard Beach from the Beach Hut Cafe on the Foreshore. The cafe wish to apply for a 'table licence' so that customers can have an alcoholic drink with their meal. The terms of the cafe's lease prohibits the selling of alcohol and it approached the Council to see if it was amenable to varying the lease. The cafe would not remain open beyond 8pm as it did not wish to impinge on other businesses in the village.

Unfortunately Hamble is still suffering, similar to other communities, from fly tipping that costs the public authorities a substantial amount to remove. A large quantity of tyres were dumped and a car was burnt out on Westfield Common. As will be seen elsewhere in the magazine, BP have had to temporarily close the car park adjacent to the Copse, that it allows the public to use, due to similar incidents.

The new storage building to centralise the Council groundstaff's equipment is under construction at the College Playing Fields and hopefully when you read this it will be completed. After this the equipment stored in the end of life storage units around the Council's estate will be moved to this new facility and the old units removed. Again unfortunately, some vandals damaged the surface of the concrete base before it set.

Many of Hamble older residents have been involved and benefited from ESPOPH (Eastleigh Southern Parishes Older People's Forum) over the last 20 years. Last November it held its final meeting, but before this organisation ceased its activities it produced its seventh report entitled 'Alarming Conclusions - Older people and emergencies'.

The Parish Council has set up a Christmas lighting and decoration group to review current arrangements and to seek to make improvements. The group will be starting shortly as decisions such as applying for consents have to be done early and it will be co-opting interested parishioners to contribute their ideas. Other groups and organisations maybe approached to contribute to this year's festivities.

The Council has been informed that the County Council will be undertaking footway works in the Lower High Street, outside The Royal Southern Yacht Club, at the beginning of this month. Also the Borough Council will be replacing the large glass recycling bin at Mount Pleasant Recreation Ground with dedicated glass Eurobins to improve this service.

ST EDWARDS ART GROUP

This is the 9th Art Show of the St Edwards Art Group who meet every Thursday afternoon at the church hall. This show gives them the opportunity to display their excellent art work to everyone while at the same time helping to raise some money for a worthwhile cause. This year they are supporting the St Edward's bells restoration fund. The exhibition will be held on Saturday 11 March, 10.00 to 16.00 hrs at St Edwards Church hall, Grange Road, Netley. Admission is free and refreshments of home made cake with tea and coffee will be available.

Free training all about ponds.

Are you interested in ponds and want to learn more about them? Want to do some wildlife surveying, or find out the best way to manage your local pond? Join one of our training courses - click on the links below or contact us for more details:

[Amphibian ID and Surveying](#): Saturday 1st April 5pm-9pm at Lakeside Country Park, Eastleigh.

[Pond and Stream Dipping for Adults](#): Saturday 20th May 10am-3pm Winnal Moors Nature Reserve, Winchester

[Pond Assessment and Management](#): Saturday 17th June 10am-4pm Lakeside Country Park, Eastleigh.

These courses are being provided free of charge through the Reviving Hampshire's Community Ponds Project, supported through a grant from the Heritage Lottery Fund. We're asking all participants, along with anyone else who'd like to get involved, to complete a very quick and simple survey of a pond near you to contribute to the project's online pond map - contact us for full details.

Hamble Local History Society

At its last meeting the Society's Chairman, Ian Underdown, gave an illustrated talk about a business that has been on Hamble Foreshore since the 1930s, now known as the Beach Hut Cafe, but formerly Blue Star Boats and Cafe.

The business was started when Alf Dornom, a chauffeur/skipper for prominent local families, obtained a boatman's licence in 1932, when his last employer sold her boat. He was a Cruising Association Boatman, who hired out dinghies, looked after other people's boats and did mooring work. Alf caused a Public Meeting to be called as he let the Foreshore from Winchester College and parishioners feared the loss of their foreshore rights and its character.

This resulted in the Parish Council leasing and subsequently purchasing the Foreshore. From that time owners of the business had to obtain permission and a licence from the Parish Council to operate from the Foreshore.

When Alf retired, Peter Davies bought the business and was helped by Ernie Stagg, Hamble's postman. Ernie started river trips and when Peter left he continued the business which he called Blue Star Boats. Ernie operated river trips on a more regular basis in 12 seat launches to see the big ocean liners and when there were none he ran trips around TS Mercury. He also hired out dinghies and was greatly helped by local lads.

At the end of the 1950's the business was getting too big to operate by himself, even with help by the youngsters, so he decided to sell to the Borrett family. The Borrett family greatly improved the business by purchasing a larger trip boat that could carry 56 passengers, so the trips could be extended to either Bursledon Bridge or Hamble Point Buoy. They also ran trips to see the ocean liners and for other special events.

Bob and Mary Borrett could not have operated the business without the help of their 4 children. Being a seasonal business Bob and Mary had to undertake other work, particularly during the winter months. At the beginning of the 1970s they asked if they could sell tea and ices from their foreshore hut, but withdrew the request because of objections from other local businesses.

Subsequently Blue Star Boats was sold to Roger Downer and a partner and they were given permission to erect a wooden kiosk to sell refreshments. This was allowed to support the river trips and boat business during bad weather. Renting out moorings also subsidised it during the winter.

The business passed through a number of other owners until Cliff Hall bought it at the beginning of the 1990s. He made a significant investment in it, making huge improvements, particularly with the river trips. The most significant was the construction of a brick kiosk. All previous Councils had only allowed temporary buildings on the Foreshore, due to it being purchased as 'Public Open Space'. It was agreed he could have a 25 year lease in order to write off the capital costs and at the end of that time the kiosk would revert to the Council.

At the beginning of the millennium Clive and Angie Fish took over the business, continuing the river trips, including a River Bus service, but no longer operating a river taxi service. By this time hiring out boats had ceased. A few years later they had outgrown the kiosk's facilities and wished to offer undercover facilities for inclement weather, plus provide a food service throughout the year. After much negotiation they agreed a 100 year lease and planning permission for a cafe/kiosk, which opened in 2010.

In 2014, Richard Beach bought the cafe/kiosk to be managed by his brother Philip, but not the boat business. At the beginning of 2016 it was renamed the Beach Hut Cafe and this will be a new chapter in the history of this Foreshore business.

There was a much larger attendance than expected for this special local interest topic and not a seat to spare. Feedback at the end was that it was a most worthwhile and stimulating compilation of a significant village business' history. Previous owners, their relatives and friends attended and thoroughly enjoyed it. So much so, they shared their memories at the end of the meeting and it was difficult to get them to leave.

REV CHARLES HENVILLE – LOCAL PHILANTHROPIST

Rev Charles Henville and his Educational Foundation

Charles Brune Henville was born in 1781 and educated at Winchester College. He went on to New College in Oxford and then returned to be a fellow (governor) of Winchester College from 1814 to his death.

He became Vicar of Portsmouth in 1814 and later Portsea. Rev Henville was a wealthy man and being without a family he spent his wealth freely for the benefit of the parishes in which he served.

In 1838 he became the Vicar of Hamble and Hound and lived in Hamble Rectory. He was responsible for setting up Hamble's first School in 1840 and for raising the funds for its construction. He arranged for the land on which it was built to be gifted from Winchester College. As it was a Church School, he as Vicar was the sole manager of the school.

He leased 3 tenements on the north side of the High Street and in 1842 he pulled them down and erected in their place two dwelling houses of much greater value. Winchester College agreed to purchase one of the houses for £600 which was to be a new house for Manor Farm. The other newly erected house, that was named 'Henville House', was occupied by Rev Philip Thresher.

Rev Charles Henville built the house to be rented out and use its income to support the new school. He then set up the Henville Educational Foundation charity.

The earliest surviving Foundation document states the Trustees may apply a yearly sum not exceeding half its net income towards the cost of maintaining and improving Hamble Church of England School. Also use the income to assist boys and girls resident in the Parish of Hamble to attend schools, institutions and classes other than that provided by elementary education. To promote the education of the boys and girls of the poorer classes in the Parish.

Charles Henville married a widow from Emsworth, Margaret Lind, in 1844. He was interested in local events such as cricket and horticultural societies and supported them financially.

As an example in 1847 he supported the Cottagers Fete which was held at Hamble School. It was reported that there were an immense number of prizes in money, for produce from cottage gardens, which were competed for by the labourers. The resident nobility and gentry visited and after the show over 60 labourers and their wives sat down to a substantial dinner, accompanied by some good ale, at the cost of Rev Charles Henville.

In 1849 the Rev Charles Henville died, but his Henville Educational Foundation charity funded by the rent from 'Henville House' continued.

In 1985 'Henville House' was sold, as more money was needed to maintain the house. The cost of maintenance had resulted in little income to fund the Henville Educational Foundation. The proceeds of the house sale were invested to provide income, so that the Henville Educational Foundation can continue to provide grants today.

Any person under the age of 25 who lives in Hamble, may apply to the Foundation for financial assistance for their education, provided that it is not already available through public funds. Groups or organisations can also apply for grants for those under 25 years of age living within the boundaries of the parish.

The Trustees meet 4 times a year (March, June, September & December) to consider all applications on an individual basis. Further details and application forms may be obtained from the Clerk to the Trustees, Wendy Mason, Tel. 8045 2720. Everything is completely confidential.

IMU

MESSAGE FROM THE CLERK

I now have a couple of weeks under my belt as the new Clerk for Hamble-le-Rice. I've been very fortunate to receive a warm welcome from many of the people I've met and the team have been really supportive in helping me to settle in.

I have taken the opportunity this month to seek out some new contributors to the magazine and hope to continue this in the future alongside our valued regular contributors. As well as being a beautiful place to live and work Hamble is home to some very remarkable people and organisations and I would like to show case them and their achievements over the coming months. So if you have a unique story or know someone who has, please get in touch. Watch this space.

Sadly we have over the last few months seen an increase in fly tipping and dumping around the Parish. Today we have had to remove 74 tyres from Westfield Common. Our aim is to ensure that dumped items are removed quickly to prevent harm and to avoid further incidents. It is, however, very expensive and it's a real shame to see money that could be spent on parish priorities going on these types of activities. We will be looking at options to make tipping more difficult on our land but I would ask people to be vigilant and to call us if they see anything suspicious. Sadly in a similar vein BP Oil UK Ltd have told us that they will be closing their Copse Lane car park for the foreseeable future as they too are having problems with fly tipping. Please contact BP on 023 8045 6028 if you have any questions about it.

On a much more positive note the Council have been approached by the Tyro and District Football League and Hampshire FA about providing pitches to enable an under 11's team to form. Currently there are a number of teams around the city but none from the Bursledon, Hound or Hamble area. We are looking at options for College Playing Field and hope that we will be able to support a new youth team next season. We hope it will provide opportunities for local children to get involved in sport and to improve fitness and well-being.

Lastly people walking past the former Barclays Bank building will notice a poster from Eastleigh Borough Council. It confirms that they have purchased the building and are looking to provide a new community facility for Hamble including the provision of a library. The Council have welcomed the news and have asked that there is early consultation with the parish council and the community about proposals. It is an exciting opportunity to create a new facility in the heart of the village.

Eastleigh Borough Council have also confirmed that they are in the process of looking at the consultation comments regarding Coronation Parade and we hope to see how these will be incorporated into the final scheme.

NEW VICKY PARK YOUTH GROUP

The Royal Victoria Country Park is starting an exciting new youth group for young people aged 12-16 years. The group will work together to create a new app based trail to uncover the history of the park as well as plan their own public event.

New members can expect to have lots of fun while also gaining some skills in managing their own projects. The group meets monthly and the next meeting is Thursday 16 March, 4.30 – 6.00pm.

The Heritage Lottery Fund and Hampshire County Council have funded a £3,191 million grant to conserve the Chapel and uncover its hidden stories. We hope to open in early summer 2018 and visitors will be able to visit a new exhibition and take tours to the top of the chapel tower. The grounds will have artistic interpretation and information boards that will demonstrate the size, length and importance of the hospital in both local and national history.

To get involved and make a difference to your park contact
Joanne.basham@hants.gov.uk and help us bring alive local heritage and history.

FAREWELL TO EASTLEIGH SOUTHERN PARISHES OLDER PEOPLE'S FORUM (ESPOPF)

On November 15 2016, ESPOPF members met for the last time to celebrate 20 years of lobbying and campaigning for older people in Eastleigh's Southern Parishes and beyond.

The occasion was the launch of a report of ESPOPF's seventh and final piece of research into problems faced by older people, "Alarming Conclusions - older people and emergencies". The research concluded that, since older people could confidently expect to find themselves in emergency situations, it was essential that they develop strategies to prevent them or, at the very least, to cope with them. Examples of some strategies were included.

Two friends of the Forum had been invited to speak: Debbie Beale, former Engagement and Inclusion Officer of Help the Aged and Age UK, and Leela Damodaran, Professor of Participation and Digital Inclusion at Loughborough University. Both paid tribute to the amazing achievements of the Forum in raising awareness of the contribution older people could make to the development of national and international policy when their voices were heard.

Both speakers emphasised the urgent need of national and local government to work with older people, promote age-friendly communities with more digital inclusion, and responsive emergency services. They approved the research report's endorsement of the vital contribution mobile phones could make in emergencies if older people were encouraged to use them.

After a finger-buffet lunch, members reminisced about their memories and experiences of ESPOPF, sampled birthday cake and bubbly and presented an award to Diane Andrewes, in recognition of 20 years of dedicated service as Hon. Secretary. Other long-serving members, Betty Lawrence (Hon. Treasurer) and David Andrewes (research and all-round support) were thanked for their outstanding contributions and Chair, Bernard Brombley, expressed thanks to all members for their involvement.

ESPOPF's website www.espopf.org contains archived copies of research, newsletters and annual reports and will remain for several years. It is hoped that a brief history of ESPOPF will be produced and published on the website during 2017.

HAMBLE CONSERVATION VOLUNTEERS

For those tiring of scrub clearance we are nearing the end of our autumn and winter programme which has been remarkably successful. Those using the Common during the summer will have seen the way that scrub, notably Silver Birch, springs up everywhere and were it not for human intervention would turn the Common into a forest in a handful of years. We avoid scrub clearance in the spring and summer so as not to disturb nesting birds and grazing cattle so the winter months are a window for clearance that we must use effectively.

Eastleigh Borough Council provide the strategy and specialist expertise and we provide the muscle and there is no substitute for numbers. Local firms have an excellent record of providing motivated people who enable us to achieve so much more and we really appreciate their help.

Beach Clean Mondays are 6th and 20th March starting at Hamble Point Car Park at 10am.

The conservation task for March is:

SCRUB CLEARANCE - THURSDAY 16th MARCH 2017

Meet 10am School Lane Car Park

Please wear clothing suitable for the weather on the day

We provide all equipment

To book your place for this event please contact:

Every Tuesday	07.30 to 08.00	GP
Alternate Tuesdays	07.30 to 08.00	Health Care Assistant
Every Friday	07.30 to 08.00	GP
Alternate Fridays	07.30 to 08.00	Health Care Assistant
Alternate Saturdays	08.00 to 10.00	GP

These are for routine pre-booked appointments only.

HOUND BASICS FOOD BANK

We are grateful to all those from the Hamble community who have supported Hound Basics Food Bank. It is through the generosity of our supporters that in 2016 we were able to help 27% more people than in 2015. A total of 233 individuals were provided with a week of food. Due to the increased need at times our food stocks ran low and so we were grateful for increased support at the end of last year. We expect this need will continue in 2017. We are open every Tuesday from 11am to 2pm at Netley Central Sports & Social Club.

Hound Basics supports those in short term crisis need from the Hamble/Netley/Bursledon peninsula who have been referred to us by school and surgery health visitors, social services, community police, community centres and churches.

We welcome all contributions. Our current priority needs are:

Meat meals (tinned)	Tinned fruit	Tinned spaghetti	Jam & peanut butter
Cold meat (tinned)	Desserts (angel delight, sponges, etc)	Tinned vegetables	Shampoo
Brown & red sauce	Custard	Tinned potatoes	Washing up liquid

In addition to the Food Bank we are able to help people who need guidance on local services or internet access for benefits, etc. We also run a Job Club helping the unemployed to get back into work and offer a personal money management course.

Thank you again for your support.

Hound Basics is sponsored by Netley Christian Fellowship and supported throughout the community it serves. For further information please call Mike on 02380404290.

STAY SECURE

Homes with no security measures in place are five times more likely to be burgled than those with simple security measures. In most burglaries, the criminals broke into the house or flat through the door, either by forcing the lock or kicking it in. So make sure your doors are strong and secure. Glass panels on doors are particularly vulnerable. If you have one on your door you could replace it with laminated glass, which is stronger. Good window locks and strong deadlocks can make a big difference.

Taking just a few steps can make a big difference in keeping your home safe from burglary. Here are a few tips:

- * Lock your doors and windows every time you leave the house, even when you're just out in the garden, remembering to double-lock UPVC doors (lift handle and turn key)
- * Hide all keys, including car keys, out of sight and away from the letterbox (remember a device could be used to hook keys through the letterbox)
- * Install a visual burglar alarm
- * Install good outside lighting
- * Get a trusted neighbour to keep an eye on your property
- * Leave radios or lights in your house on a timer to make the property appear occupied
- * Make sure the fences around your garden are in good condition
- * Secure bikes at home by locking them to an immovable object inside a locked shed or garage
- * Keep ladders and tools stored away; don't leave them outside where they could be used to break into your home
- * Ensure side gates are locked to prevent access to the rear of the property
- * Ensure rear fencing is in good repair
- * Improve natural surveillance at the front of your property i.e. trim high hedges
- * Mark your property with postcode and house number and register your property for free with Immobilise - www.immobilise.com
- * Consider joining or forming a Neighbourhood Watch scheme - www.ourwatch.org.uk
- * Remove valuables from view of ground floor windows
- * Store any high value items (i.e. jewellery, passports) in a properly secured safe or bank vault

DISTRACTION BURGLARY

If you're not sure who is at your door, don't open it. Check the identity of the caller by calling the company they are claiming to be from i.e. gas, electricity, water and police. Use the telephone numbers listed in your local directory or provided independently by your service provider - Do not use any telephone numbers provided by the caller - they may be bogus.

IT'S TIME TO PUT FAIRTRADE IN YOUR BREAK

The Fairtrade in Eastleigh Borough Campaign is calling on the local community to put Fairtrade in their break and support Fairtrade to drive much-needed change for farmers in developing countries during Fairtrade Fortnight (27 Feb to 12 Mar).

Having the perfect cuppa or a snack is an important part of our daily routine, yet millions of farmers who produce the treats we enjoy during our breaks are struggling to make a living. However hard they work to provide the products we depend on, they still aren't paid what they deserve.

Eastleigh Borough achieved Fairtrade status 2 years ago, yet the campaign continues because not enough people are buying it and not enough farmers are benefiting from it. We need everyone in the community to get behind farmers and their families this Fortnight.

Hamble Parish Council is a member of the Fairtrade in Eastleigh Borough Campaign. To find out more find on facebook at FairtradeELeigh or email mail@fairtradeineastleighborough.org

FROM THE COUNCIL'S RECORDS

100 YEARS AGO – Allotment Land The Committee on Food Production reported that they had received a letter from Mrs C.E. Beale offering the field opposite Ravenswood for a term of 2½ years from Lady Day at a rent of £3 per Annum The Committee had accepted Mrs Beale's offer **MARCH 1917**

Ravenswood was a large house where Crowsport is located today

100 YEARS AGO – Accounts Account be drawn for the following amounts, To W. Hampton for 6 months Salary as Clerk £3.3.0. Postage for the year £1.0s.0d **MARCH 1917**

100 YEARS AGO – Common Lane a letter was read from Fairey Aviation Co. stating that as they had to keep in repair the road across the Common, they did not feel justified in subscribing to the Common Lane repairs. **MARCH 1917**

75 YEARS AGO – Domestic Food Production A circular letter was read from Winchester R.D.C. stating that their Agricultural Committee invited the Parish Council's attention to the urgent need for increased food production. The Council decided that as all parishioners were working overtime on war production, they could not do more than they are doing. **MARCH 1942**

50 YEARS AGO – Hamble One-Way Traffic System Managers of the Infants School Drawing the attention of the Council to dangerous traffic conditions in School Lane, aggravated by the new one-way traffic system, in addition a Service Bus turns in the Lane three times a day. They fear that the children may be run over. **MARCH 1967**

25 YEARS AGO – Sydney Avenue Bungalow site Swaythling Housing Association would shortly be submitting a scheme for 8 x 2 bedroom and 4 x 3 bedroom houses on this site and Department of the Environment funding has already been approved **MARCH 1992**

To be named Acorn Court

Every Monday

HOMEMADE PIE & PINT

Start the week with a warming artisan pie. Coupled with a pint or small glass of house wine for just £12. What's not to love?

Every Tuesday

GRAZE WITH US

On our specials board there will be a selection of small plates perfect for you to share amongst friends. An ideal way to enjoy a selection of different, unique flavours whilst catching up with those who are important to you.

Every Wednesday

BURGER CLUB

Expect handmade, locally sourced or premium options on this weekly changing menu. From buffalo, cauliflower, falafel to pork – Chef will be getting creative with interesting, unique options.

Every Thursday

VEGAN NIGHT

The Bugle's menu is always vegan friendly. But on Thursday night Chef creates an expansive choice of delicious vegan dishes. And why not ask our staff about our vegan friendly drinks too.

Every Monday – Friday

SET LUNCH MENU

Awarded a much coveted AA Rosette for the quality of the dishes served from the kitchen. Dine on two courses of locally sourced produce for £15 or three for just £18.
