

## Eythorne Parish Council

### March 2019 Edition

#### Allotments

After a long planning application process, the area behind Adelaide Road now has all the permissions required to be changed into allotments for the community. **If you would like to lease one of these allotments OR have registered your interest before but have not received or replied to recent emails, please contact the Clerk on the email address below.** If there is not enough potential allotment holders, then the project cannot go ahead.

#### Elvington Walk in Clinic

The Practice Manager at White Cliffs Medical Centre would like to re-assure residents that the clinic is not closing, but that due to staff shortages is not possible to open the clinic until further notice. There is a notice of explanation in the window of the Clinic.

#### Salt Bin Usage

At the February meeting, it was reported that gritting salt from the yellow bins has been used by residents for their private property. This salt is provided by KCC for the highway which includes roads and public pavements. If the salt is used up on private properties then you cannot help yourself and your neighbours by gritting icy highways during cold spells to prevent accidents.

#### Eythorne and Elvington School

The Parish Councillors would like to congratulate the children and staff for their excellent results and placement on Kent league tables. 100% of the children taking SATS in 2018 met the required standard in Reading, Writing and Maths.

#### Parish Council Elections

District and Parish Council elections which will take place on **Thursday 2 May 2019**. The Parish Council has 2 vacancies at present, however if current Councillors do not apply for re-election there will be more. Would you consider becoming a Parish Councillor?

If you would like to know more, please contact the Clerk or any of the current Parish Councillors who would be happy to give you information.
