148/21 20mph zones

A new policy making it much easier to get 20mph zones was passed by Oxfordshire County Council on 19 October. Full details of the policy can be found here:

<https://mycouncil.oxfordshire.gov.uk/ielistDocuments.aspx?CId=115&MIId=6381>

Applications are not judged on a 'first-come-first served' basis and will be done so according to the criteria outlined in the policy document. There is therefore no need to rush to complete an online application. A successful application will demonstrate alignment with the policy, and local support (beyond the parish council) for a 20 zone. The county does not want to put in 20 zones only to get push back from residents afterwards and need to change them back.

The next meeting of Great Milton Parish Council will be held on Monday 13th December 2021 at the Pavilion, starting at 7.30pm.
