

NETHER WALLOP NDP – DRAFT DOCUMENT

VISION STATEMENT

Our vision for Nether Wallop in 2031 is for an active, safe, and welcoming community, made sustainable through appropriate responses to economic, digital, and climactic changes. This plan seeks to preserve and enhance the neighbourhood’s unique characteristics while being affordable for new households who are committed to this vision.

Nether Wallop’s unique landscape and its cluster of heritage buildings is centred on the Wallop Brook. The surrounding area is characterised by small-scale patchworks of settlements, farms, small holdings, riverside meadows, pastures, and woodland. Together, these distinct landscape types support an economically active farming community and outstanding biodiverse wildlife populations.
