CHURCH NEWS – *Revd Mandy*

Dear Friends,

The sun is shining with a lovely mellow autumn light while I write this and on my desk in front of me is a parcel with a shiny new diary in it. One of the quirks of being a vicar is that next year begins for me on November 28th this year! Next year it'll be a different date, just to make life more interesting! Getting my new diary is always exciting, and I like to savour the clean, clear, empty pages with their promise of endless possibilities even though I know I could fill lots of them up already.

This year, I welcome my diary with more hope and joy than last. My hopes are that it won't be marked by crossings out and rearrangements, but weddings, baptisms and summer fetes will remain in place, unthreatened by a pandemic. My joy is that my diary reminds me of the gift of life, which comes to us one day at a time and we have the gift of choice and the capacity to plan and prepare.

Of course, my diary has its good and bad points. My love of it tempts me to rush ahead in time and to miss out on all the good things which autumn brings. This time of year in all its changing beauty does strange things to time and we should take time over it. As the light gives way to darkness and chilliness creeps up on us, we may find our memories are knocking on our hearts and minds a bit louder and the past suddenly doesn't seem so long ago.

Maybe this is a connection to our primeval ancestors who huddled together for warmth and shared their stories or maybe we're less distracted by our gardens, but whatever the reason, this is a season for remembering. From Halloween to All Saints Day to Bonfire night and Remembrance Day, we'll be remembering. If we carve pumpkins, shake sparklers at the dark or keep a respectful silence, we'll be joining in with countless others and continuing what generations before us have done. Our past may well come close to our present and that's important to help us prepare for our future.

May God bless you in all your remembering and all your planning.

Here's a prayer which you might find helpful:

*In darkness and in light, In trouble and joy, Help us, heavenly Father, To trust your love,
To serve your purpose, And to praise your name, Through Jesus Christ our Lord. Amen.*

NEWS FROM ALL SAINTS' CHURCH, HARBY WITH SWINETHORPE – Bridget Wells

The concert in church on August 25th with The Cherry Stone Duo was excellent. Our thanks to William and Emily. We think this is the first time a harp has been played in the church.

A record number of cyclists, raising money for The Connection at St. Martin-in-the-Fields, set off from the church yard, at the start of the Bank Holiday weekend, after a blessing by Rev. Ken Potter. The first stop was a Lincoln Cathedral and the last, at the tomb of Queen Eleanor in Westminster Abbey.

The wedding of Daniel Lilley and Alexandra Bradley was held on August 21st. Best wishes to them. It was lovely to hear the bells ringing.

Harby Playing Fields Update

There have been significant changes at the playing field this year. Firstly, an almost complete change of committee members. After many years of great service to the village and the surrounding area Steve Hogg and his team handed over the reins to a new set of villagers to build on their achievements. The current Playing Fields Committee would like to offer our thanks to everyone for their commitment over the years.

The key players in the new team are:-

Lionel Thursby - Chair, Matt Tucker - Treasurer, Pat Mackenzie - Secretary

This team is supported by 7 further villagers.

We also have a group of volunteers to help whenever tasks arise. We would like this group to be much larger so that many hands can make light work of the repairs, maintenance and upgrades that are required. Currently, the time being invested is concentrated on a small number of individuals, if you can, please contact us and offer to get involved, it would be much appreciated !

What's happening or planned.....

PLAY AREA

After a great deal of effort and application of skills Alex managed to obtain a grant to replace condemned play equipment and upgrade the range of equipment. The Grant required us to contribute a sum from reserves to make a total of 50k inc vat.

After discussion, the committee decided to focus the grant to obtain high quality, low maintenance equipment which increased the variety and also ensured that there was a transition of experiences for infants through to teenagers, whilst providing a proportional approach to less able users. The Queen Eleanor school children were consulted about what equipment they would like to be added.

A decision was also reached that the monies should be spent on purchasing equipment rather than surfacing of the areas and that we would undertake some aspects of the works ourselves to make best use of the grant.

The new equipment is now in place and awaiting quality and safety inspections, we hope to open parts of the facilities at the start of October.

The mound of soil is the base for reusing an embankment slide which we own, this was not part of the works covered by the grant and is an ongoing village project. This also allowed us to redirect the money that would have been used for the disposal of that spoil.

We have removed the bark area previously surrounding the infant play. The whole area was levelled with imported soil and seeded.

Thanks must be given here to Trevor Medley, Mark Fearn and Chris Medley for their generosity of time, skills and specialist equipment.

The fall protection is now provided by rubber matting to the new and some existing equipment with the gravel area retained to the high climbing frame zone.

Due to the very dry summer period and the construction machinery involved the seeded areas have suffered and need some time to recover so please be patient as this occurs over the next few months.

CAR BOOTS

These have continued on a biweekly basis shared with North Scarle. The last two for this year are 19th September and 3rd October. The attendance of vendors and buyers this year has been mixed. The events have been run by, and for the benefit of, various village groups. If your group would like to run a car boot, please contact us.

FIREWORKS DISPLAY 5TH NOVEMBER 6PM

After two years of cancellations due to weather and COVID the event is back on !!!

Professional firework display, bonfire, food and music. Firework and other costs have risen therefore the entrance fee will be £5 for everyone above the age of 15. Cash only payments is our current request. All proceeds to the playing field running costs.

Bonfires are a tradition that we would like to maintain however they do harm the environment. In recognition of this we have sourced the materials from a managed source. The less controlled additions of garden waste etc. will no longer be available so **please do not add anything to the bonfire**. The gates will be locked with a new padlock and **no access will be permitted**.

We need in excess of 20 volunteers to run this effectively and safely so please let us know how you can help!! We need help with food preparation and serving, car parking, entrance fees, setting up and dismantling safety fencing. This is our major fund-raising event and needs to go well.

PAVILION

This available for hire through the secretary, Pat Mackenzie on 01522 702906.

FINANCE

As a reminder to all the playing field is financed by the efforts of our community and not by the local authority. Please support our events.

COMMUNICATION

We will advertise our events in the Trio, on Facebook, on the Harby village website and by posters / flyers, if there are other methods that you feel would be beneficial please let us know.

OUR PURPOSE

We exist to provide play facilities for the people of Harby and the surrounding villages. We also provide a facility for visitors to the area and those using other village businesses.

There are regular visits from schools and individuals with less able children who find our quieter environment more beneficial, secure and safe for their challenged children.

OUR AIMS

To improve the variety, quantity and quality of facilities and events that we offer.

To encourage more use of the football field area for team sports.

We hope all villagers will continue to enjoy the playing field, pavilion and its facilities. Again, any help/volunteering that you can do, would be welcomed! Just contact a member of the committee.

Seasonal Flu Vaccination Campaign 2021

We will be holding 2 Saturday morning flu clinics on

Saturday 18 September 2021, from 8.00 am – 12.30 pm

Saturday 23 October 2021, from 8.00 am – 12.30 pm

We are aiming to vaccinate 100% of eligible patients this year, as defined by NHS guidelines. We may be able to open our offer beyond those eligible after 31 October 2021 (dependent on stocks/uptake).

Saturday clinics will focus on patients who are able to walk and stand unaided for up to 20 minutes. No seating available. Flu Vaccinations (and possibly 3rd COVID vaccine once details are confirmed) will be administered with patients stood up and a strict one-way system through the Practice will be in operation. We will continue to wear face coverings to protect your healthcare setting.

For patients with mobility issues we will be holding weekday flu clinics. Our PCAs will triage at the time of booking.

Housebound patients will be contacted by the practice in due course.

These are appointment only clinics. Appointments will be available to book from 1 September 2021. Please contact the number below, book online or ask at Reception.

Harby Parish Council Update

Clerk

As the final restrictions have now been lifted and the schools have returned after the summer holidays, life continues to return to normal. Although the need for caution still remains it does feel like we can now spend more time with friends and family doing the things that we had all enjoyed in the past.

Scarecrow Festival

The Parish Council do hope that everyone is getting ready for the festival on Saturday 2nd October and will be putting out their scarecrows for everyone to see. We do hope that it will be a good event, please send the Clerk any feedback you might have.

This leads on nicely to the next item which is taking place on the same weekend.

Wigsley Harby & Thorney Going Green

Have you visited their website whtgoinggreen.org or Facebook Group m.facebook.com/groups/whtgoing? Why not take a look, take the quiz or get involved in their projects aiming to work together to make our Wigsley, Harby and Thorney community more climate-friendly.

The group will be holding an event on Saturday the 2nd October at Harby Village Hall. Please watch out for more details nearer the time.

Grit Bins

As we move into the winter months, please take care on the roads. The Parish Council has provided grit bins in the following locations:

- Wigsley Road, on the bridge
- Station Road, at the entrance to the cycle track
- High Street/Wigsley Road Junction
- Low Street/High Street/Station Road Junction
- Low Street/Wigsley Road Junction

This grit is provided for anyone to use on the public roads in the village which may need it. If you would like to volunteer to spread this grit for the benefit of everyone, please do contact the Clerk.

This grit is not for use on private drives, you should have your own supply for this purpose.

Parish Website/Social Media

Please keep your eyes on the website <http://www.harby-notts.org.uk> and Facebook www.facebook.com/Harby-Parish-Council-529209784087559 for information between TRIO publications. Of particular note is the diary section which will be updated regularly as new events are arranged.

The next Ordinary Meeting is at 7:30pm, Thursday 18th November in the Village Hall Committee Room. If any members of the public would like to attend, please let us know in advance as we need to try and maintain Covid security for all attendees. Please see the notice board or the website nearer the time for the full agenda.

Please continue to stay safe!

PLASTIC FANTASTIC SCARECROWS in Thorney!!

Our Harvest Celebration on Sunday, October 3rd will be similar to last year and we hope that once again the weather will be kind to us. This year you are invited to make a plastic fantastic scarecrow using as much waste plastic as you can find- best save the contents of your silver waste bin to see what you can put to good use! You are asked to display your scarecrow by securing it to the Play Park fence from 10am (but definitely before 3pm) on the day.

We hope you will join us at 3.30pm in following a vintage tractor & trailer up West Rd, Main Street and on to the Play Park collecting donations of tinned/packet food & toiletries for the local Food Banks on the way, whilst singing along to well known harvest songs with the Thorney Singers. After a short harvest thanksgiving in the Play Park the winners of the Harvest raffle & other fabulous prizes will be announced. (If you haven't already requested your Harvest Raffle lucky numbers contact Clare on 07957-997-334.) The winner of the scarecrow competition will be the scarecrow made with the most waste plastic & his/her owner will receive a gift voucher plus consolation sweets for everyone else. Bring your own drinks & picnic - weather permitting, to enjoy socialising afterwards. **A great day in prospect & your support will be very much appreciated- thank you!**

Queen Eleanor Primary School
Community Aspiration Resilience Empathy

NEW HEAD – Mrs J Woolnough

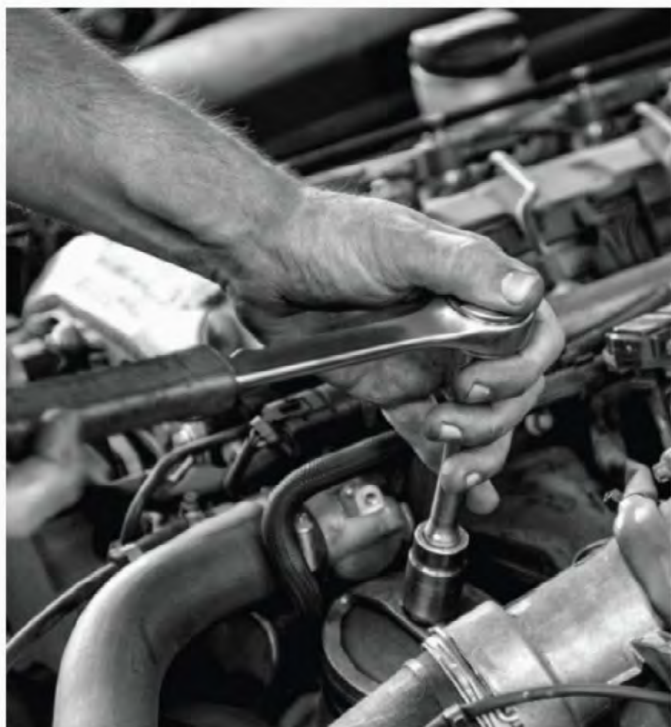

It is with great excitement and honour that I take up the new Headship of Queen Eleanor Primary School. These are challenging yet inspiring times as we open up our new Nursery provision – with a fabulous new-look outside area – and convert the building to house a new classroom in what was our Resources Room and, before that, our school kitchen! I am sure you will have also spotted and admired our wonderful garden/allotment area which has been tirelessly worked on by Mr Waby, Ms Simpson and a band of generous helpers and contributors. Thank you all so much!

We warmly welcome everyone who is new to our school community: new pupils, parents and two members of staff – Mrs Arthur and Mr George, already known to the children, but now enthusiastic and valued members of our Team. This year we look to continue adding to our numbers so that the school remains sustainable for many years to come. We have places available in all year groups except Year 6. We would be delighted to have the opportunity to show prospective parents round our lovely school and discuss what makes Queen Eleanor so special. Just ring to book an appointment on 01522 703428.

Let's hope that this term can be the start of something new, exciting and hopefully, a bit more normal than what we have seen in the past 18 months!

Diary Dates: Eden Camp Visit for KS2 – 4th October, **School Photos** – 5th October, **Parents Evening** – 12th October, **D.A.R.E Graduation for Year 5 and Year 6 parents** – 6th December at 11.00 a.m. in the School Hall, **Christmas Carol Service** – 15th December 10.30a.m. and 6 p.m. in Harby Church, **Christmas Lunch** – 15th December.

Congratulations to local girl Sophie Wells for winning gold and silver medals at the Tokyo Paralympic Games
