

January 2023

Faye Thorley Project Manager - Community & Regeneration
Raybel Charters gave a very interesting talk to members at our
January meeting. The Raybel barge is being renovated behind
McDonalds on the Sittingbourne retail park, we hope to organise a
visit later in the year. www.raybelcharters.com

"Old Images of Borden, Sittingbourne and Milton",
Wednesday 8th February 10.30am at the Parish hall, will be the
subject of John and Sheila Hepburn's new illustrated talk.

We gained three new members this week two live locally and one
lived here as a child and now lives out of Kent so interest continues to
build enabling us to encourage others to care for our local heritage.

Subscriptions are due this month and have been kept at £5 per
member.
