

**The Plymouth Visually Impaired  
Bowls Club is keen to encourage new  
members, whether they be ex players  
or just looking to try the game.**

---

Our friendly club, the largest of its type in the South West,  
plays at the Hoe Bowling Green between April and  
September and then at the Life Centre for the remaining  
months of the year.

It includes individuals of various ages and is not linked to  
any Plymouth leagues, but does play a number of  
friendly matches throughout the year.

---
