The Charity Providing Sport
and Recreational Facilities
to Meet Community Needs

overtonrecreationcentre.org.uk

About us.

In 1966 the community formed Overton Recreation Centre as a charity to provide sports and recreation facilities in the village. As then the charity is managed by unpaid volunteers but is now running 3 green sites with 2 sports pavilions and Town Meadow Hut for scouting and guiding groups

Every month some 2,000 people of all ages use our facilities. Working with support from the parish and borough council, the ORC has established a good reputation.

But we need more members and volunteers to meet modern needs.

Looking forward there are plans for an athletics centre at Berrydown, upgrading Town Meadow Hut, resurfacing Tennis Courts in 2016/17 - and with necessary funding a Sports and Community Barn accommodating internally a variety of sport and recreation by 2019.

Help us make this happen.

The great ORC facilities helped me to be selected for Hampshire and England cricket. The ORC charity helps young people to enjoy healthy activities.

As long standing ORC members and volunteers, we would encourage others to be ORC members /join the ORC village lottery to benefit our community.

As a family we are proud of the good work that the ORC does to make our village special. By signing up you can raise vital funds.

We mustn't stand still. By becoming an ORC member today and taking part in the ORC village lottery, we can maintain and improve facilities.

My family and I have benefited from the ORC's services and continue to support this remarkable charity for current and future generations.
