1903854 Retrospective application for bund for visual reasons

Plan 19031 Green Farm application for up to 200 houses and some business use. Neighbourhood plan will have a plan and has an obligation to discuss and make recommendations whilst in the process. They did discuss proposed Gladman development. We are up to speed and have looked at the proposal and confirm that we can find no reason why support would be given. It falls foul of Wiltshire strategies and there is no way the steering group could propose the planning application and the Parish Council is to object. It does not meet any requirements. All Councillors voted against this.

11. Neighbourhood Plan

This is at an advanced stage. We hold 2-weekly meetings in the Methodist Hall. Now close to completion and Consultants are to draft the document and send to the Parish Council. It then goes to Regulation 14 6-week publication. The public drop-in is Lyneham and Bradenstoke.

12. Housing Needs Survey

The 2013 survey used for Neighbourhood plan is at end of life. Asked Wilts Council to conduct a new survey. Neighbourhood plan people offered to deliver door to door. Assistance asked for this and help came forward.

13. Youth Forum

Youth meeting held. No interest. For the future Friday night youth club will be funded until September or possibly December by Wiltshire Council. Funding for the future to be discussed

Window Boxes

This will be looked into by a member of the Parish Council

15. Litter Picking

Members of the public needed for this. A suggestion was made by a member of the public that we ask Calne how it is done there

16. Lighting at Main Gate

It was agreed that Parish Council would fund up to £2000

17. Election of new Councillor
