### Morning Matinee for the Over 60s

**What is it?** Every six weeks at the Screen in Winchester the Everyman Cinema is showing a well-known film. The cinema surroundings are particularly suitable for older people with memory problems, their partners and family members as well as people who care for them.

The cinema lights are left on low so that people can see to move around if necessary. The cinema staff are Dementia Friends.

#### About the films.

- **Going in Style** - Desperate to pay the bills and come through for their loved ones, three lifelong pals risk it all by embarking on a daring bid to knock off the very bank that absconded with their money.
- **Churchill** - A ticking-clock thriller following Winston Churchill in the 24 hours before D-Day.

**How much does it cost?** It is free, the Everyman is providing the staff and the premises and Home Instead is funding the cost of the film. There will be a collection for Dementia Friendly Hampshire (Registered Charity No. 1165292).

**I don't have memory problems, can I come?** Of course. We would like to give priority to people with memory problems but anyone over 60 can come – the older you are the better!
