

# Public Meeting on crime in Bourton-on-the-Water

**Monday 21 October 2019**

**Chaired by County Cllr Paul Hodgkinson**

I'm sure we've all been shocked at the raid on the Post Office recently. With that and a number of reports of anti social behaviour in different parts of the village, I've decided to call a public meeting on the subject.

The date is **Monday 21 October at 7pm**, The George Moore Community Centre.

In attendance will be the Police and Crime Commissioner Martin Surl and the police. I'll be chairing it and it will be an opportunity to hear from the police about the action they're taking and to raise your points and questions with them.

Hope to see you there.'
