GHOST STORIES FOR CHRISTMAS

Join Edwyrddian Tales for an evening of haunting dark delights set during Christmastide, on our second national tour of ghostly tales of dread.

This year our night of seasonal spirits features terrors from classic authors of the age... *"Number 13"* and *"Oh Whistle and I'll Come to you my Lad"* by **MR James** and *"Kecksies"* by **Marjorie Bowen**.

"A standout is Matthew Wood... My enthralled friend and I found ourselves grinning from ear to ear..."
