

At Holton Village Hall

Friday 20th March 10am to 12 noon

A free social event for hall trustees coming up next week in Village Halls Week 2026

This year, Village Halls Week is all about Health and Wellbeing. As a thank you to the wonderful Trustees who run our halls and enable so many groups to come together and activities to happen, Community First Oxfordshire has organised a morning of tea and cake and chat.

- **There will also be a short talk about the Energy Efficiency Improvements that the Holton Hall committee are making to combat the Climate Emergency.**

There will also be plenty of time to chat and meet trustees from other halls. There is plenty of parking.
